

Preschool Newsletter

We will be reading The Mitten several times this week and at the end of the week the children will bring home a mitten with characters so they can tell you the story. Please ask them to retell the story to you.

We are also talking about winter and snow. Please continue to have them count things around the house and also have them sign or write their name on any paper that they make at home. This is good practice for next year. Please remember if they are practicing their names that they should use one capital and the rest lower case .
