

## Preschool Newsletter

Welcome back and Happy New Year! We hope everyone had a nice relaxing break.

We will be talking about winter for the next few weeks and this week we will be discussing animals in winter and hibernation.

We are also practicing counting so anytime there is an opportunity for your child to count things please let them practice. I would like all of our four year olds to count to at least 20 before they go on to kindergarten. That time will be here before you know it.
