

Preschool Newsletter

This week we will be talking about a country far far away. We will be looking at a globe and a map and comparing them and try to find China on the map. Your child will learn a Chinese greeting so please talk to them about this. For the next two weeks we will be talking about Chinese New year and the different things that they do in this culture.

We will also make a bag for our valentines for our friendship party on Friday. The children will play post office and deliver their valentines. Have a good week!
