

## Preschool Newsletter

Well we made it through the first week of school. Thanks for everyone's help in making the first week successful. This week we will continue to reinforce rules and start talking about our families. Please send in a picture of your family that we can copy and hang in our room. We will send these pictures back unharmed. We will start this week working on recognizing our names. Please have your child put their own backpack on and carry them. This something that we are also working on in school. Please make sure that your child has tennis shoes on for their safety. Thanks for your support and have a good week.
